The Dhaka University of Engineering and Technology held a seminar titled Research Excellence, International Collaboration and Higher Education: Pathways to Global Opportunities at the Shaheed Shakil Parvez Auditorium of the university in Gazipur on Wednesday.

The seminar was jointly organised by DUET's Institutional Quality Assurance Cell and the DUET Career and Research Club, said a press release.

DUET vice-chancellor Professor Mohammad Iqbal attended the seminar as chief guest.

He emphasised DUET's commitment to fostering a world-class research culture.

He highlighted the administration's ongoing efforts to sign memorandums of understanding with international institutions, initiate joint research projects and expand student-faculty exchange programmes to enhance global exposure.

DUET pro-VC Professor Md Arefin Kowser, attending as special guest, underscored the value of global networking for local talent.

Professor Saidur Rahman, a distinguished research professor from Sunway University, Malaysia, presented the keynote at the seminar, sharing vital insights on leveraging global partnerships and securing international higher education opportunities.

The seminar concluded with an interactive question and answer session, followed by closing remarks from the session chair and IQAC director, Professor Md Obaidur Rahman.
